

ID:<mailmerge linked barcode>

This questionnaire is for a parent/carer to fill in.

We have sent your child a questionnaire to fill in. We would also like to know a bit more about your child's behaviour during the coronavirus lockdown. We would be grateful if you could answer these questions, thinking about your child who is in the Born in Bradford study (their name is on the letter sent with this pack). It should take about 5 minutes to complete. All the answers you give will be held in confidence.

Once you have completed the questionnaire place it in the freepost envelope alongside your child's questionnaire and post it back to us whilst doing your daily exercise or essential shopping.

Thank you for your support!

We would like to know how your child's behaviour is at the moment. Please answer these questions thinking about how your child has been over the last two weeks. For each item, please mark the box for **Not True, Somewhat True or Certainly True**. It would help us if you answered all items as best you can even if you are not absolutely certain or the item seems daft! Please give your answers on the basis of your child's behaviour over the last 2 weeks.

Child's name:

Date of Birth: Male/ Female

	Not True	Somewhat True	Certainly True
Considerate of other people's feelings			
Restless, overactive, cannot stay still for long			
Often complains of headaches, stomach-aches or sickness			
Shares readily with other children (treats, toys, pencils etc.)			
Often has temper tantrums or hot tempers			
Rather solitary, tends to play alone			
Generally obedient, usually does what adults request			
Many worries, often seems worried			
Helpful if someone is hurt, upset or feeling ill			
Constantly fidgeting or squirming			
Has at least one good friend			
Often fights with other children or bullies them			
Often unhappy, down-hearted or tearful			
Generally liked by other children			
Easily distracted, concentration wanders			
Nervous or clingy in new situations, easily loses confidence			

	Not True	Somewhat True	Certainly True
Kind to younger children			
Often lies or cheats			
Picked on or bullied by other children			
Often volunteers to help others (parents, teachers, other children)			
Thinks things out before acting			
Steals from home, school or elsewhere			
Gets on better with adults than with other children			
Many fears, easily scared			
Sees tasks through to the end, good attention span
